### A UNIQUE GASTRONOMICAL SUNDAY LUNCH EXPERIENCE ONBOARD THE ROYAL ALBATROSS

#### SINGAPORE, 25TH FEBRUARY 2021

The Royal Albatross, the creators of Singapore's most romantic dinner cruise; is delighted to announce that it will be starting a Sunday Lunch Sail from April 16th 2021 departing Resorts World Sentosa every Sunday at 12.30pm. Aimed at families, staycation goers on Sentosa and for those looking to do something different at the weekend; this new product offers menus for all tastes with four rotating themes: Italian, Seafood, Traditional British Sunday Roast and a Barbeque.

The entire experience will be held onboard the open deck of Tall Ship Royal Albatross while she sets sail and cruises around Sentosa's southern shoreline with beautiful unobstructed views. Children are encouraged to join in the "pirate ship" experience, pull some ropes and to bond with their parents, rather than being glued to their smart phones or game devices. But be pre-warned, the Captain may dish out some traditional sailing ship punishments; such a keel hauling and walk the plank should the kids misbehave or not listen to orders! For those that are good and complete their assigned duties, they will be rewarded with a special photo session after the sail with the Captain and for those young at heart.

"With so many residents looking for new outdoor experiences, we saw this as an exciting opportunity to get families outside and to swap the air-conditioning for guaranteed fresh sea breezes and views of Singapore's spectacular coastline from the sea. After all, very few Singaporean families have seen a traditionally rigged sailing ship (or pirate ship), let alone dined on one" explained Peter Pela, CEO and owner of Tall Ship Adventures. "And our new lunch menus will give a sense of travelling without having to leave home."

The special Italian menu will highlight various types of pasta dishes and traditional artisan pizzas cooked direct from the ship's very own stone hearth ovens. A seafood menu that will explore fresh farm to table seafood, symbolic of the location of the ship berthed within Sentosa. A special British Sunday Roast which is a compilation of our owner's favorite food when he was growing up in the UK and a hearty Barbeque which is prepared over our own barbeque pit with meat over hot coals, done the right way.

The new "Sunday lunch Sail" sets out to be a gastronomical journey with free flow Prosecco, beer, wine and soft drinks starting at a modest \$195+ for Adults and \$95+ for Children.
