SINGAPORE – TUESDAY 2 MAY 2023

Royal Albatross Launches Pirates Ahoy! – A Pirate Adventure Unlike Any Other!

The Royal Albatross is excited to announce the launch of their first kids sailing event experience on-board the only Tall Ship in Asia-Pacific, Pirates Ahoy! Every Sunday, starting 28 May 2023.

The Ultimate Pirate Experience Onboard The Royal Albatross

This ultimate and unique pirate experience will give kids the chance to dress up in their favourite pirate attire and enjoy the pirate life on a real pirate ship, learning all about pirates, Tall Ships and life at sea from the Captain of the Royal Albatross. Kids will also enjoy special pirate games and activities to develop their pirate skills, with the Pirate Crew from The Royal Albatross. Kids can also play together with their families.

"This is going to be an unforgettable experience for our little pirate adventurers," said Peter L Pela, CEO and owner of Tall Ship Adventures. ***"We know they'll have a blast learning all about what it was like to be a real pirate on a real pirate ship. We can't wait to show them how we did things back in the day. There are less than 100 tall ships left in the world and they will soon disappear forever. This is a chance for kids to make their storybook adventures come to life."***

Fun Togetherness Activities For Kids & Their Parents

During this unique Royal Albatross two-hour sailing experience, kids will learn about the pirate life and some interesting facts about the ship. They'll also get hands-on experience with some fun pirate games and activities, giving them an authentic look into life on board a pirate vessel. Pirates Ahoy! is a new product that will be led by our experienced events team.

At the end of the tour, each kid will receive a special Young Cadet certificate that marks their successful completion of Pirates Ahoy! Parents are encouraged to get involved too, so they can join in the fun while learning something new together with their kids.

"It's definitely not every day you get to sail on an actual pirate ship," said Peter L Pela. ***"Our goal is for everyone who joins us on this adventure to have a great time, have fun, and learn something new."***

We set sail for pirate adventures with Royal Albatross' Pirates Ahoy! – setting sail every Sunday at 9am from 28 May 2023.
